Dear Parents/Carers,

I hope you are all well. For those of you who are observing Ramadan, Ramadan Mubarak.

We are delighted to share that our school has successfully secured the LPPA (Leading Parent Partnership Award) once again. This recognises our continued commitment to working closely with parents and carers to support every child's learning and wellbeing. Thank you for your ongoing support and partnership, it truly makes a difference.

Open Days for Year 6 - Many families have not received a place at one of their preferred schools for Year 7 next September and have instead been allocated a school they did not choose. If you know any parents in this situation, please encourage them to visit our school to learn more about the excellent education and strong support we offer. As a thank you, any parent who recommends a student who joins our Year 7 next year will receive a small gift for their child.

Eid Closure - Our school will be closed for Eid-al-Fitr, expected on **Thursday 19th or Friday 20th March**. Students should return to school the following day as normal. The day after Eid will be a non-uniform day - students should bring in £1, with all proceeds going to our chosen charity, currently supporting water wells and basic shelter overseas.

Year 11 Parents' Evening - On **Wednesday 25th March**, we will be holding the Year 11 Parents' Evening from 4:20- 7:00pm. You will receive information on your child's academic progress, including their latest mock results. We strongly encourage you to attend to stay fully informed during this important year in your child's education.

Year 9 GCSE Options Evening - Options evening will be held on the Wednesday 22nd April at 4:15pm. Now is the time for your child to select their GCSE options. Choosing the right subjects requires careful consideration by pupils, parents, and the school. The choices made, along with the grades achieved, will influence future pathways, including A-levels, BTECs, and other post-16 courses at Sixth Form, college, or alternative providers. We strongly encourage you to attend the Options Evening to support your child in making informed decisions about their academic future.

Good Attendance & Punctuality - Please ensure your child attends school every day and arrives on time. If they have medical appointments, they should come to school first and sign out for the appointment, returning afterward even if it is only for one lesson. If your child is feeling slightly unwell, please still send them in, as our qualified first aid team can assess and provide any necessary care.

We are concerned that casual lateness is becoming a habit. As a school, we reward good attendance and punctuality. Pupils who are late will receive a break detention; a second lateness will result in break and lunch detention, and a third lateness will incur an additional one hour after school detention. All students must be in school by **8:40am**.

Year 11 interventions - We continue to provide daily after-school interventions for Year 11 pupils. All students are welcome to attend, and targeted pupils are expected to stay for one hour after school each day to support their learning.

Saturday school - Our Year 11 Saturday School has been running since September, from 10:00am- 1:00pm, offering English, Maths, and Science lessons to support exam preparation.
